CONSTRUCTION ON THE APARTMENT AT THE LIGHTHOUSE CHILDREN'S HOME IN TRES RIOS:

The plans have been drawn up, signed, and presented to the proper department at the city government for the apartment - please pray that they will be approved quickly. We have dug some of the footers for the foundation and will begin bending the rebar and getting ready to pour the concrete in a few weeks. We cannot do this without city approval.

We still have to dig some by hand

THE BIBLE CONFERENCE AT THE HOME:

Each year the Lighthouse Children's Home in Tres Rios, Costa Rica hosts a Bible Conference for national pastors. This year we had pastors from Nicaragua, northern, central, and southern Costa Rica, and Kuna Indian pastors from Panama. Pastors come from the US to teach, help and encourage our national pastors. Here are some pictures from that conference:
