DOCTRINAL MODULE

BBI Newsletter:
Vol. 2, Issue 10, Oct. 2007

We had the blessing of returning to Costa Rica for the doctrinal module September 6-8. What a blessing to our hearts to see the students serving God during the three months between the modules. We especially wanted to see the results of the evangelism module in May, and if our students went home to put into practice what they had learned. Thank the Lord for the results: The 5 students witnessed to 239 lost people and had the privilege of leading 67 to the Lord. The preceding three months (February to May) they led 29 people to the Lord. They have personally led over 100 people to the Lord since the beginning of the year! What a blessing to see them putting into practice what they have learned!
