For Jason Martin (our son) and Sam Robinson (our son-in-law) who are in Iraq and Cuba.

## **"ISN'T HE WONDERFUL..."**

My, isn't the Lord wonderful? Just to get to meet faithful missionaries around the world is one of the privileges of the calling of God placed on us. I had the opportunity of meeting with some of God's choicest servants in February. What a privilege! To the left is

Bro. Micheal Hart in Veracruz, Mexico who labors in a difficult field faithfully serving the Lord. He has established Faith Baptist Church in a poor area (most areas are poor), but it is a great church with wonderful people (picture to the right). The Mormons and Jehovah's Witnesses have been in this area for over 50 years and have a stronghold for Satan. What a great opportunity to teach people the truth about the Lord Jesus Christ. Please pray that we can start a Bible Institute there to train preachers.

We began a new Bible Institute at Iglesia Bautista Pan de Vida (Bread of Life Baptist Church) in La Guardia, Costa Rica, February 21-23, with 5 students. What a wonderful time we had as we did a survey of the entire Bible in 3 days. This foundation will help the students as they

study different books of the Bible in the future. Joy had the privilege of meeting the pastor's wife and cooking with her on a real Costa Rica stove. Most of the men came just to see what the Bible Institute was all about, because they only received word about the date for the Institute one week before it began. One man took

vacation to be in the Institute and another took off 2 more days so as not to miss anything. They are all excited about learning the Word of God, learning to be a better witness for the Lord, and learning to be better pastors. We have set the next module for May 24-26 and are looking forward to having about 20-30 students in that module on personal and church evangelism.

We also had the privilege of attending the 1st annual Bible Conference at the Lighthouse Children's Home in San Jose, Costa Rica. What a great time we had renewing friendships and meeting new friends. Joy and I got to sing, be around the children & Bro. Larry & Paula Neff, and witness to people on the street and in the restaurants.
